Cohen's Lottery & Exchange Office.

HOC SIGNO FORTUNA.

BALTIMORE, FRIDAY, June 25, 1824.

Astonishing Success at Cohen's.

The last drawing of the Grand State Lottery took place yesterday afternoon agreeably to previous notice. We have heretofore often had occasion to congratulate our customers and ourselves on the great success attending investments at our office, but never before have we had so much gratification as on the present occasion, for we now have the pleasure to announce the distribution from this office, of the great Prize of

100,000 DOLLARS,
ALSO THE **20,000 DOLLARS,**
ALSO THE **10,000 DOLLARS,**
ALSO THE **5,000 DOLLARS,**

with the additional gratification of having sold them ALL IN SHARES—viz: the 100,000 Dolls. (No. 15,631,) in one Half and two Quarters—the 20,000 Dolls. (No. 8,028) in one Half and two Quarters—the 10,000 Dolls. (No. 20,835) in one Half, one Quarter and two Eighths—and the 5,000 Dolls. in one Half, one Quarter and two Eighths—the whole of them are owned by DISTANT ADVENTURERS, except one 8th of the 5,000 Prize which is held in Baltimore. The fortunate holders reside in the States of Virginia, North Carolina, South Carolina, Georgia, Ohio, Kentucky, Tennessee, New Jersey, New York and Massachusetts. As soon as we obtain their permission (according to our established rule) we shall announce their names, and the particular places of their residence. In the mean time we will again remark the astonishing success attending adventurers at COHEN'S OFFICE, and that the CASH as usual is ready on presentation of the Tickets.

On thus closing the drawing of this class of the Grand State Lottery, we beg leave to tender our sincere acknowledgments for the very extensive and continued patronage we receive from every part of the United States, and we assure our friends and the public, that as heretofore, we shall continue our usual prompt and punctual attention to their commands at all times.

Washington Monument Lottery.

We shall present in a short time, the Scheme, No. III. of the Grand State Lottery; in the mean time we solicit the attention of the public in favour of the patriotic Scheme of the WASHINGTON MONUMENT LOTTERY, the state of the wheel of which will be found on the 4th page of this day's Register, and is now half finished—the next drawing will take place on Tuesday, the 29th inst. Small Prizes drawn in the State Lottery, ought to be renewed in the Monument. Tickets will soon rise.

J. I. COHEN, JR.

Sec'y to the Managers—BALTIMORE.

The Fate of Tickets.

In this day's Register, will be noticed our official list of the 20th and last (yesterday's) drawing of the Grand State Lottery. In this Lottery, the Prizes only, were drawn—such numbers therefore, as are not to be found in any of the twenty lists, which were regularly published in this paper, are consequently Blanks, as the Nos. of the prizes only were printed. Those of our customers who have not received the lists of drawings which have occurred since they purchased their Tickets, will please inform us, and send on the Numbers of their Tickets, which will be examined by the Commissioners' books, and information immediately forwarded to them of their fate.

Caution to distant Adventurers.

Direction of Letters.—We beg permission to request our friends and customers residing in distant places, to be particular in directing their letters to J. I. COHEN JR. No 114 Market St. BALTIMORE. It will thereby prevent mistakes in being sent to another office, the name of which on paper, appears similar, and to which we understand, several letters have lately been directed on the supposition that the name was ours.

The Register.—The circulation of this paper is now extended to every section of the Union, and in order to ensure its safe conveyance, particular pains are taken in the packing and mailing; should it however, at any time fail in reaching any of our customers, we beg to be informed of it immediately, in order that a duplicate may be sent on without delay. It is published immediately after each drawing.

THE SPANISH CLAIMS.—We learn that by the decision of the Commissioners, who have just closed their labours at Washington, Merchants and Underwriters in Baltimore, come in for the pretty round sum of \$600,000, and that the cash is already in hand. This is what some would call "a wind fall." Still, we find some complaining that they have not had justice done them. We rather suspect however, this is vastly better than a claim on the Spanish government for fifty times the amount; a government that cannot pay if it would, and would not if it could.—*Pat.*

MARQUIS DE LA FAYETTE.—As this distinguished personage has of late become a topic of general conversation, the following account of his personal appearance, as given by an entertaining writer in the Village Record, will not be unacceptable to the reader.

The Marquis de la Fayette was one of the finest looking men in the army, notwithstanding his deep red hair, which then, as now, was rather in disrepute. His forehead was fine, though receding—his eye clear hazel—his mouth and chin delicately formed, and exhibiting beauty rather than strength. The expression of his countenance was strongly indicative of the generous and gallant spirit which animated him, mingled with something of pride of conscious manliness. His mien was noble—his manners frank and amiable, and his movements light and graceful. He wore his hair plain, and never complied so far with the fashion of the times as to powder.

CATTLE SHOW.—The Maryland Agricultural Society for the Western Shore, will hold their next Cattle Show at the Maryland Tavern, on the Frederick Turnpike Road, four miles from the city of Baltimore, on Monday, Tuesday and Wednesday, the 25th, 26th and 27th days of October next, for the exhibition Ploughing Matches, and for the

exhibition and sale of Domestic Animals, Household Manufacture, &c. When premiums will be awarded agreeably to the act of incorporation passed at the last session of the General Assembly.

We understand, says the National Intelligencer of Saturday, that orders have been issued by the navy Department to equip the United States' ship of the line NORTH CAROLINA for immediate service, and that she will bear the Pendant of Commodore JOHN RODGERS.

TOBIAS WATKINS, of Maryland, (late Secretary to the Board of Commissioners under the Florida Treaty) has been appointed by the President, to be Fourth Auditor of the Treasury, Judge Van Ness having declined accepting the appointment.

[This officer is the *Navy Auditor*, and is the head of one of the branches of the Treasury Department; he receives and settles all accounts accruing in the Navy Department, or relative to it.]

Summary of Intelligence.

Bank Dividend.—The State Bank of N. Carolina declared a dividend on the 1st inst. of four per cent. on the Capital Stock of said Bank, for the half year, payable at Raleigh on the 7th, and at the several branches fifteen days thereafter.

Expeditious Travelling.—Mr. Nath'l Freeman, Jun. of Boston, arrived here on Tuesday morning, in seventy-one hours and a half from that city, (bearer of papers to a gentleman in this place, having a large claim under the Spanish Treaty pending before the commissioners, who finished their sittings on that day.)—*Wash. paper.*

Important Decision.—The Court of Appeals of Virginia decided on Friday, in the case of Brooks and Hobson, that the securities of an executor are not responsible for the proceeds of any lands of the testator, sold or otherwise disposed of by him or his executors, under the authority of the will of the first testator. And that securities of the first executor are not liable for the acts of his executor, although the will of the first executor may have directed that the second executor should give no security.

The Capitol.—The Portico of the Capitol at Washington, which is now erecting, will comprise twenty-four columns, each of which is to be hewn of an entire block of stone. One of them, on which the workmen are now engaged, in front of the Capitol, is twenty-four feet long, and upwards of three feet in diameter. This immense block of free stone was procured on the bank of the Potomac, and brought to the Navy Yard by water, from whence it was dragged to its present situation by a large number of men, on a strong carriage, constructed for the purpose.

Huntsville Bank.—The Huntsville Bank, in the State of Alabama, is to resume specie payments on the 19th July, so far as to redeem in specie one half of the amount of notes which may be presented for payment, issuing new notes, payable on demand, (that is, as we understand, whenever it shall be able to redeem them.) It is said to be the intention of the Bank to surrender its charter, and wind up its affairs. By this measure, a large additional amount of what have been termed unavailable funds will be realized to the government.

White Flint Wheat.—A new species of wheat with the above name has been cultivated in Cayuga County, (N. Y.) with success for some years past. Its excellent properties are, it is secure against the Hessian Fly, the straw being solid 5 or 6 inches above the ground, where the Fly lodges in other wheat—it grows rank, ripens soon, requires but 3 pecks of seed, and yields from 25 to 40 bushels an acre, weighing from 60 to 64 lbs. a bushel.

Most Astonishing Success at COHEN'S OFFICE!!!

The great Capital Prize of 100,000 dolls. (No. 15631)—also the Capital of 20,000 dolls. (No. 8028)—also the \$10,000 prize (No. 20835)—and the \$5,000 prize (No. 21880)—were all sold at COHEN'S OFFICE, in SHARES—and the whole of them to *DISTANT ADVENTURERS*, except one 8th of the \$5,000 prize, which is owned in Baltimore.—As soon as we receive permission, we shall announce the names of the fortunate holders.

**** More Capital Prizes have been obtained at Cohen's Office than at any other Office in America!**
